

ARION Therapeutic Riding Association

CLUB ARION

Sponsored by  Tree of HOPE

We are pleased to offer an exciting program designed especially for children with unique challenges. If you are looking for an alternative location to provide a FUN and social learning environment for your child then join us at 'Club Arion' at Arion Therapeutic Farm.

Our unique program offers a **craft, cooking project and horse riding activities** all in small groups of three - perfect for communication skill building without the stressors of large numbers of children. Whether your child is in traditional school or home school learning, Club Arion's half day program is an easy fit into your child's schedule.

Groups will be formed according to age and physical and mental abilities. The goal of Club Arion is to help improve social, functional and developmental abilities through farm activities and animals on our peaceful farm setting. Students improve concentration, learn compassion and trust, gain independence and develop new friendships.

SESSION DATES

SESSION 1: February 13 to June 22, 2012 OR
SESSION 2: September 11 to December 20, 2012
AVAILABLE DAYS: Tuesday or Thursday
TIMES: 11:30 - 3:00
USER FEE: (\$15-\$50/day) Please enquire *
No session March 12-23

*Families may need to provide proof of income (notice of assessment for previous year for each person living in the household) and disability in order to qualify. Families without funding will be given first consideration. We require a minimum of 3 children per day to run the program.

Some children require one on one support which we provide for \$30/hour.

Please enquire about our Spring Break Camp Mar. 12-23.
