

ARION Therapeutic Farm

## CLUB ARION AFTER-SCHOOL PROGRAM

We are pleased to offer an exciting **NEW After School Program** designed especially for children with unique challenges. If you are looking for an alternative location which provides a **FUN**, social and supportive environment for your child then join us at '**Club Arion**' at Arion Therapeutic Farm.

Our unique program offers a **craft and/or cooking project and horse riding activity** all in small groups - perfect for communication skill building without the stressors of large numbers of children. Pick-up from school IS included at a few locations! (Please enquire) Siblings are also welcome!

The goal of Club Arion is to help improve social, functional and developmental abilities through farm activities and animals on our peaceful farm setting. Students improve concentration levels, learn compassion and trust, gain independence and develop new friendships.

**SESSION DATES:** March 3 to June 22, 2012  
 (No session March 12-23)

**AVAILABLE DAYS:** Tuesday to Fridays  
 (minimum of 1 day required)

**TIMES:** 2:45 - 6:00pm

**USER FEE:** \$18 - \$35/day Please enquire \*

\*Families may need to provide proof of income (notice of assessment for previous year for each person living in the household) and disability in order to qualify. Families without funding will be given first consideration. We require a minimum of 10 children per day to run the program.

Some children require one on one support which we provide for \$30/hour.

Please enquire about our Spring Break Camp Mar. 12-23.
